Minutes: Minutes of the 2021 AGM were approved by Veronica and seconded by Duncan.

Chairs report: Gail delivered the chair's report and no issues were raised with it.

Treasurers report: Victor delivered the treasurers report with no issues raised.

Head coach report: Duncan delivered the head coach report. Member's were then informed that, following an interview, Zoe has been appointed as the new head coach. Members were shown an introduction to our new head coach poster, which listed Zoe's qualifications and experience.

Fees: Membership fees have been at the current rate since 2017 (Jnr £12.50, Adult £17.50, Family: £47.50). A proposal was suggested to raise the fees to Junior £18, Adult £26, Family £70. This was discussed at length, with the main points being:

Many people buy family memberships. Currently many members do not engage with the club but it does provide insurance and discount on lift passes. If the prices went up, then people may only buy for their child(ren) meaning that income might actually go down. Currently there is a surplus in the back and with the current cost of living situation people may be unwilling/unable to pay more. A vote was taken and the majority wished the fees to remain at the current level, with a recognition that if the slope hire was to increase then coaching fees may need to go up in the future

Voting: Voting for the committee took place:
